BOURBON HORSE WINS AT LATONIA TRACK.

At the Latonia track Wednesday, J. Hal Woodford's Sway, ridden by Vandusen, won the fourth race, one mile and three-sixteenths, for three year olds and up. The \$2 mutuels paid on Sway \$5 straight, place \$3.40, and show \$2.60.

Sway's victory came over the mile and three-sixteenths route, but his triumph was a handy one, as Under Fire was his most formidable opponent and the latter showed lameness before and after the race.

Sway is one of the horses carrying the hopes of this section to land the rich Latonia Championship Stakes to be run Saturday.

IT PAYS TO ADVERTISE

The value of THE NEWS as an advertising medium has been demonstrated so often that it is hardly necessary to refer to it again. But it will be a repetition that will be a harmless one. It pays to advertise in THE NEWS.

In a recent issue of THE NEWS Mr. Thomas Butler advertised a farm for rent or sale. Two days after the advertisement appeared Mr. Butler came to THE NEWS office and asked that the ad be discontinued, as he had received so many inquiries that he had to sit up at night beyond his usual retiring hour, to reply to them. He finally disposed of the farm to a good customer, and said, in regard to the advertising: "I had no idea a little advertisement like that would be so widely read." All of which goes to show that THE NEWS gets results. And we could go on and cite any number of cases where THE NEWS ads secured rapid results, but the above will suffice as a fair example.

LAW AGAINST PROFITTEERING

Attorney General Morris has dug up this old State law, that had been forgotten, and will be put in operation: "Any person who purchases large quantities of provisions for the purpose of enhancing the price, or for the purpose of reselling them at a higher price than is necessary to afford him a reasonable profit on his investment, is guilty of a common law misdemeanor and may be punished by fine and imprisonment."
